MEMORANDUM NO. 2009-164

TO: School District Superintendents
School Principals

FROM: Jim McBride, Ed.D.

DATE: October 16, 2009

SUBJECT: Giant Map of Asia

INFORMATION TO SHARE – PLEASE READ

The Wyoming National Guard and The Wyoming Geographic Alliances are offering the opportunity for Wyoming school district superintendents to display the Giant Map of Asia in their districts. This map is available through the end of May and there is no charge to the districts except to take or ship the map to the next district.

I “visited” the map at the recent School Improvement Conference at Little America and think it is a great opportunity for Wyoming school districts.

If you are interested in taking advantage of this opportunity, please contact Gloria Edwards at gedwards46@bresnan.net.
